| NUMBER OF ITEMS AND CATEGORY (Still photographs, negatives, or slides) | | |
| Photo 1 is of a one-track railroad bridge, 2498 meters long over the AMUR River near the city of Khabarovsk, USSR. Two spans of this bridge were blown up by the Reds when retreating before a Japanese force occupying China in 1920. | | |
| Photo 2 The repair work on the bridge is shown and pictures one of the spans being floated into place. This work was carried out in 1925. | | |
| DESCRIPTION OF MATERIAL | | |
| DATE OF EXPOSURE _____ | | |
| The bridge was in continuous use when source left Manchuria in 1951. | | |
